Welcome to PC Innovation

PC Innovation provides computer hardware and software services for small business and residential clients.

Professional services for Microsoft Windows, Microsoft Office, as well as technical support, software installation and upgrades, computer and equipment acquisition, training for general computer operation, preventive maintenance, networking and wireless.

PC Innovation is also a partner with IT Cloud Solutions providing secure online backup solutions in Canada.

We take pride in our work to ensure it is done right the first time! Clients appreciate our professionalism, after service follow-up and availability for ad-hoc questions. On-site and remote services available.

Our office is located in Ottawa and we provide service for Ottawa South, Manotick, Greely, Nepean, North Gower, Kars, Osgoode and surrounding areas.

For more information on how PC Innovation can help you, please refer to our Services.

Call Harvey Hope to discuss your particular needs 613-799-8020.
